Headteacher Update

Welcome back and I hope you all had an enjoyable and restful break.

Getting lost in a good book is one of life's great pleasures and a fantastic way to learn.

We know that it's important to make sure children become confident, fluent readers who love having their nose in a good book.

At school we aim to listen to each child read individually as much as we can but having the adult support to be able to achieve this can be tricky.

We would love to develop our use of volunteers for support listening to readers in school. Do you or anyone in your family have time to spare to offer support to listen to readers? This could be grandparents / aunts / uncles etc

All we ask is that volunteers are willing to be checked through the Disclosure and Barring Services (DBS) which we would complete with them before starting this support.

If you or anyone is interested please either contact myself, speak to your child's class teacher or contact the office.

CAN YOU WALK?

In an effort to reduce the traffic around school at the start and end of the day I ask that you consider whether you could walk your child to school.

If you do need to drive can you be mindful of how you are parking, especially with the

reduced space on the top car park.

CAR PARK

Can I please remind parents that the bottom car park is for staff use only. If you feel the need to use this car park for drop off and pick up for specific purposes please speak to myself so I can authorise this.
